This can be another drive partition, a secondary internal drive or an external hard drive.. Delete all of the files and folders except the SteamApps & Userdata folders and Steam.. Browse to the Steam installation folder for the Steam installation you would like to move (C: Program Files Steam by default).. Due to the streaming requirements of Keyscape, a Solid State Drive is recommended.. Drag or copy the STEAM folder from your installation drive (C: ProgramData Spectrasonics) to the hard drive location of your choice.
